

## SUMMMER AT

### VFKH MONTESSORI IS...

A wonderful opportunity to utilize our outdoor environment. The garden and wooded areas create a classroom without walls, a perfect setting for the expansion of our inside environment. It also facilitates the children in linking the materialized abstractions of all the Montessori activities to the outside world.

*Music and Nature* ...are part of our day. Music engages the ear through listening, vocalizing and moving. Nature furnishes a lively exploratory environment which engages all of the senses.

*Gardening*...during the summer, the children care for the vegetable garden which they have helped to plant. In addition to weeding and watering, the children enjoy picking and preparing the vegetables to share with each other.

*Art*... is a part of each day at VFKH Summer Camp. The campers will explore different types of art medium. The children will be inspired by nature and the world around them.

*Water Play*...A sprinkler and other water activities are part of our day as a respite from the heat.

This is the framework of our biweekly themes.

## New themes every two weeks...

### Pre Camp June 9-11

#### **Theme 1 – Creative Art and Music Camp June 14-25**

Learn about various art media through fun, creative projects. Discover the thrill of not only making music, but creating your own instruments. Explore the music of many composers and techniques of different artists.

#### **Theme 2 – Digging for Dinosaurs June 28-July 9**

This session will find our young paleontologists exploring Valley Forge Park.

#### **Theme 3 – Let's Learn About the Summer Sky July 12-23**

Learn how to connect the dots in our summer sky. Work with and craft projects that will help us discover the phases of the moon.

#### **Theme 4 – Cultural Studies through Cooking July 26-Aug. 6**

Grab your passport and here we go! As we spend a day or two in a variety of countries we will create the food we would find there.

#### **Theme 5 – The Big Blue Ocean August 9-20**

Monster Squids, Sharks, YIKES! Learn about the fierce and the friendly in the deep blue sea. Discover the mystery and the beauty through projects and stories.

#### **Theme 6 – Creepy Crawlers and Other Things that Wiggle and Squirm August 23-27**

Learn about little creatures, bugs, butterflies, moths and worms. Make new friends and learn social skills through group activities.
